IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the Resolution authorizing the issuance and sale of General Obligation Bonds of the Beverly Hills Unified School District in an amount not to exceed \$45,000,000.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On April 12, 2005, the Governing Board of the Beverly Hills Unified School District adopted a Resolution determining that the District needs to borrow funds in an aggregate principal amount not to exceed \$45,000,000 to be used for authorized purposes.

On March 5, 2002, an election was held whereby voters residing in the District approved a ballot measure authorizing the District to issue \$90,000,000 in general obligation bonds for various qualifying purposes. This is the second and final issuance of bonds authorized under this bond measure.

Pursuant to Section 15266 of the Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. Such bonds shall be issued in the name and on behalf of such school district by the Board of Supervisors of the County following receipt of the district resolution requesting such borrowing.

FISCAL IMPACT/FINANCING

None to the County. All debt will be paid by the District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Resolution provides for issuance of General Obligation Bonds at a true interest cost not to exceed eight percent (8%). The term of the bonds will not exceed twenty-five years. Provisions for optional redemption of the bonds will be described in the Bond Purchase Agreement.

The Resolution provides for the negotiated sale of the bonds, with participation by the Treasurer and Tax Collector in pricing of the bonds, to the Underwriters. The District has selected George K. Baum & Company, as Underwriter; the firm of Jones Hall as Bond Counsel; and U.S. Bank National Association as Paying Agent.

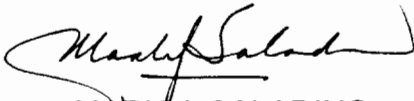

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

ARTICLE II

THE BONDS

Section 2.01. Authorization. The Bonds are hereby authorized to be issued in the aggregate principal amount of not to exceed \$45,000,000 under and subject to the terms of the Bond Law, the District Resolution and this Resolution. The Bonds shall be designated the "Beverly Hills Unified School District (Los Angeles County, California) General Obligation Bonds, 2002 Election, Series B". The provisions of this Resolution relating to payment of principal of and interest on the Bonds are set forth in this Resolution solely at the request of the District for the convenience of the District in the administration of its bonds, and do not create any responsibilities for the Board beyond the express statutory requirements contained in Sections 15140, 15146 and 15250 of the California Education Code.

Section 2.02. Terms of Bonds.

(a) Form; Numbering. The Bonds shall be issued as fully registered Bonds, without coupons, in the denomination of \$5,000 each or any integral multiple thereof, but in an amount not to exceed the aggregate principal amount of Bonds maturing in the year of maturity of the Bond for which the denomination is specified. Bonds shall be lettered and numbered as the Paying Agent may prescribe.

(b) Date of Bonds. The Bonds shall be dated as of the Closing Date.

(c) CUSIP Identification Numbers. CUSIP identification numbers shall be imprinted on the Bonds, but such numbers shall not constitute a part of the contract evidenced by the Bonds and any error or omission with respect thereto shall not constitute cause for refusal of the Underwriter to accept delivery of and pay for the Bonds. In addition, failure on the part of the County or the District to use such CUSIP numbers in any notice to Owners of the Bonds shall not constitute an event of default or any violation of the contract with such Owners and shall not impair the effectiveness of any such notice.

(d) Maturities; Interest. The Bonds shall mature on August 1 in the years and in the amounts, and shall bear interest at the rates, as determined upon the sale thereof as set forth in the Bond Purchase Agreement. Under the District Resolution, the term of the

Bonds shall not exceed 25 years. Interest on the Bonds shall be payable semi-annually on each Interest Payment Date.

Each Bond shall bear interest from the Interest Payment Date next preceding the date of registration and authentication thereof unless (i) it is authenticated as of an Interest Payment Date, in which event it shall bear interest from such date, or (ii) it is authenticated prior to an Interest Payment Date and after the close of business on the 15th day of the month preceding such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (iii) it is authenticated prior to January 15, 2006, in which event it shall bear interest from the Closing Date. Notwithstanding the foregoing, if interest on any Bonds is in default at the time of authentication thereof, such Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment thereon.

Interest on the Bonds shall be calculated on the basis of a 360-day year comprised of twelve 30-day months.

(e) Payment. Interest on the Bonds (including the final interest payment upon maturity or redemption) is payable by check or draft of the Paying Agent mailed to the Owner thereof at such Owner's address as it appears on the Registration Books at the close of business on the preceding Record Date; except that at the written request of the Owner of at least \$1,000,000 aggregate principal amount of the Bonds, which written request is on file with the Paying Agent as of any Record Date, interest on such Bonds shall be paid on the succeeding Interest Payment Date to such account as shall be specified in such written request. Principal of and premium (if any) on the Bonds are payable in lawful money of the United States of America upon presentation and surrender at the Office of the Paying Agent. The provisions of this subsection (e) are subject in all respects to the provisions of Section 5.04, which specify that the County has no obligation to repay the Bonds except from the specific funds and accounts established for that purpose under this Resolution.

(f) Issuance of Capital Appreciation Bonds. Any or all of the Bonds may be issued in the form of Capital Appreciation Bonds, in a maturity value of \$5,000 or any integral multiple thereof, the interest on which compounds on each Interest Payment Date and is payable solely at maturity or upon prior redemption. In that event, all references herein to the principal of and interest on the Bonds shall be deemed to include the accreted value of the Capital Appreciation Bonds.

(g) Provisions of Bond Purchase Agreement to Control. Notwithstanding the foregoing provisions of this Section 2.02 and the following provisions of Section 2.03, any of the terms of the Bonds may be established or modified under the Bond Purchase Agreement. In the event of a conflict or inconsistency between this Resolution and the Bond Purchase Agreement relating to the terms of the Bonds, the provisions of the Bond Purchase Agreement shall be controlling.

Section 2.03. Redemption.

(a) Optional Redemption Dates and Prices. The Bonds shall be subject to redemption prior to maturity, at the option of the District, in whole or in part among maturities on such basis as designated by the District and by lot within a maturity, from any available source of funds, on such dates and at such redemption prices as are set forth in the Bond Purchase Agreement.

(b) Mandatory Sinking Fund Redemption. In the event the Bond Purchase Agreement specifies that any one or more maturities of the Bonds are term bonds which are subject to mandatory sinking fund redemption, each such maturity of Bonds shall be subject to such mandatory sinking fund redemption on August 1 in each of the years and in the respective principal amounts as set forth in the Bond Purchase Agreement, at a redemption price equal to 100% of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption. If any such term bonds are redeemed under the provisions of the preceding clause (a), the total amount of all future payments under this subsection (b) with respect to such term bonds shall be reduced by the aggregate principal amount of such term bonds so redeemed, to be allocated among such payments on a pro rata basis in integral multiples of \$5,000 as determined by the District (written notice of which determination shall be given by the District to the County and the Paying Agent).

(c) Selection of Bonds for Redemption. Whenever less than all of the Outstanding Bonds of any one maturity are designated for redemption, the Paying Agent shall select the Outstanding Bonds of such maturity to be redeemed by lot in any manner deemed fair by the Paying Agent. For purposes of such selection, each Bond shall be deemed to consist of individual Bonds of \$5,000 denominations each, which may be separately redeemed.

(d) Redemption Procedure. The Paying Agent shall cause notice of any redemption to be mailed by first class mail, postage prepaid, at least 30 days but not more than 60 days prior to the date fixed for redemption, to (i) one or more of the Information Services, and (ii) to the respective Owners of any Bonds designated for redemption, at their addresses appearing on the Registration Books; but such mailing shall not be a condition precedent to such redemption and failure to mail or to receive any such notice shall not affect the validity of the proceedings for the redemption of such Bonds. In addition, notice of redemption shall be given by telecopy or certified, registered or overnight mail to each of the Securities Depositories at least two (2) days prior to such mailing to the Bond Owners.

Such notice shall state the redemption date and the redemption price and, if less than all of the then Outstanding Bonds are to be called for redemption, shall designate the serial numbers of the Bonds to be redeemed by giving the individual number of each Bond or by stating that all Bonds between two stated numbers, both inclusive, or by stating that all of the Bonds of one or more maturities have been called for redemption, and shall require that such Bonds be then surrendered at the Office of the Paying Agent for redemption at the said redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date.

Upon surrender of Bonds redeemed in part only, the County shall execute and the Paying Agent shall authenticate and deliver to the Owner, at the expense of the District, a new Bond or Bonds, of the same maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the Bond or Bonds.

From and after the date fixed for redemption, if notice of such redemption has been duly given and funds available for the payment of the principal of and interest (and premium, if any) on the Bonds so called for redemption have been duly provided, such Bonds shall cease to be entitled to any benefit under this Resolution other than the right to receive payment of the redemption price, and no interest shall accrue thereon on or after the redemption date specified in such notice. All Bonds redeemed under this Section 2.03

shall be canceled by the Paying Agent, and a certificate or other evidence of such cancellation shall be submitted by the Paying Agent to the District.

Section 2.04. Book-Entry System.

(a) Original Delivery. The Bonds shall be initially delivered in the form of a separate single fully registered Bond (which may be typewritten) for each maturity of the Bonds. Upon initial delivery, the ownership of each such Bond shall be registered on the Registration Books in the name of Cede & Co. (the "Nominee"). Except as provided in subsection (c) of this Section, the ownership of all of the Outstanding Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to Bonds the ownership of which shall be registered in the name of the Nominee, the District and the Paying Agent shall have no responsibility or obligation to any Depository System Participant or to any person on behalf of which the Depository holds an interest in the Bonds. Without limiting the generality of the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository System Participant or any other person, other than an Owner as shown in the Registration Books, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed in the event the District elects to redeem the Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than an Owner as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest on the Bonds or (v) any consent given or other action taken by the Depository as Owner of the Bonds. The District and the Paying Agent may treat and consider the person in whose name each Bond is registered as the absolute owner of such Bond for the purpose of payment of principal, premium and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers of ownership of such Bond, and for all other purposes whatsoever. The Paying Agent shall pay the principal of and interest and premium, if any, on the Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal of and interest and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than an Owner shall receive a Bond evidencing the obligation of the District to make payments of principal, interest and premium, if any, under this Resolution. Upon delivery by the Depository to the Nominee of written notice to the effect that the Depository has determined to substitute a new nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the District shall promptly deliver a copy of the same to the Paying Agent.

(b) Transfers Outside Book-Entry System. In the event that either (i) the Depository determines not to continue to act as Depository for the Bonds, or (ii) the District determines to terminate the Depository as such, then the District shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the District and the Paying Agent in the issuance of replacement Bonds by providing the Paying Agent with a list showing the interests of the Depository System Participants in the Bonds, and by surrendering the Bonds, registered in the name of the Nominee, to the Paying Agent on or before the date such replacement Bonds are to be issued. The Depository, by accepting delivery of the Bonds, agrees to be bound by

the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the District fails to identify another Securities Depository to replace the Depository, then the Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Article II. Prior to its termination, the Depository shall furnish the Paying Agent with the names and addresses of the Participants and respective ownership interests thereof.

(c) Payments to the Nominee. Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments by the District or the Paying Agent with respect to principal of and interest and premium, if any, on such Bond and all notices with respect to such Bond shall be made and given, respectively, as instructed by the Depository.

Section 2.05. Form of Bonds. The Bonds, the form of the Paying Agent's certificate of authentication and registration and the form of assignment to appear thereon shall be substantially in the forms, respectively, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Resolution and the Bond Purchase Agreement, as are set forth in Appendix A attached hereto.

Section 2.06. Execution of Bonds. The Bonds shall be executed on behalf of the Board by the manual or facsimile signatures of the Chair of the Board of Supervisors and the County Treasurer, and shall be countersigned by the manual or facsimile signature of the Executive Officer-Clerk of the Board of Supervisors. If any officer whose signature appears on any Bond ceases to be such officer before delivery of the Bonds to the purchaser, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the Bonds to the Underwriter. Any Bond may be signed and attested on behalf of the Board by such persons as at the actual date of the execution of such Bond is the proper officers of the County although at the nominal date of such Bond any such person was not such officer of the County.

Only those Bonds which bear thereon a certificate of authentication and registration in the form set forth in Appendix A attached hereto, executed and dated by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent shall be conclusive evidence that the Bonds so registered have been duly authenticated, registered and delivered hereunder and are entitled to the benefits of this Resolution.

Section 2.07. Transfer of Bonds. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation at the Office at the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed. The Paying Agent shall require the payment by the Owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer. Whenever any Bond or Bonds is surrendered for transfer, the County shall execute and the Paying Agent shall authenticate and deliver a new Bond or Bonds, for like aggregate principal amount.

No transfers of Bonds shall be required to be made (a) during the period established by the Paying Agent for selection of Bonds for redemption or (b) with respect to a Bond which has been selected for redemption.

Section 2.08. Exchange of Bonds. Bonds may be exchanged at the Office of the Paying Agent for a like aggregate principal amount of Bonds of authorized denominations and of the same maturity. The Paying Agent shall require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchanges of Bonds shall be required to be made (a) during the period established by the Paying Agent for selection of Bonds for redemption or (b) with respect to a Bond which has been selected for redemption.

Section 2.09. Registration Books. The Paying Agent shall keep or cause to be kept sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District upon reasonable notice; and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on the Registration Books, Bonds as herein before provided.

Section 2.10. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond is mutilated the County, at the expense of the Owner of said Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like maturity and principal amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Paying Agent of the Bond so mutilated. Every mutilated Bond so surrendered to the Paying Agent shall be canceled by it and delivered to, or upon the order of, the County.

If any Bond is lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying Agent and, if such evidence be satisfactory to the Paying Agent and indemnity satisfactory to it is given, the County, at the expense of the Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like maturity and principal amount in lieu of and in substitution for the Bond so lost, destroyed or stolen.

The Paying Agent may require payment of a sum not exceeding the actual cost of preparing each new Bond issued under this Section and of the expenses which may be incurred by the County, the District and the Paying Agent in the premises. Any Bond issued under the provisions of this Section 2.10 in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the District whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Resolution with all other Bonds issued under the District Resolution and this Resolution.

ARTICLE III

ISSUE OF BONDS; APPLICATION OF PROCEEDS

Section 3.01. Delivery of Bonds. The County shall cause the Bonds to be printed, signed and sealed as provided in this Resolution, and to be delivered to the Underwriter upon the County Treasurer's receipt of the purchase price therefor and upon the Underwriter's performance of the conditions imposed by the District.

Section 3.02. Application of Proceeds of Sale of Bonds. The proceeds of the Bonds shall be applied on the Closing Date as follows:

- (a) The portion of the proceeds representing the premium (if any) received on the sale of the Bonds shall be deposited with the County Treasurer in the Debt Service Fund.
- (b) All remaining proceeds received by the County Treasurer from the sale of the Bonds shall be deposited in the Building Fund which the District has directed the Los Angeles County Office of Education to establish and hold under the District Resolution.

Section 3.03. Building Fund. As provided in Section 5 of the District Resolution, the District has directed the Los Angeles County Office of Education to establish, hold and maintain a fund to be known as the "Beverly Hills Unified School District General Obligation Bond Building Fund", to be maintained by the Los Angeles County Office of Education as a separate account, distinct from all other funds of the County and the District. The proceeds from the sale of the Bonds, to the extent required under Section 3.02(b), shall be deposited in and credited to the Building Fund, and shall be expended by the District solely for the acquisition or improvement of real property for which the Bond proceeds are authorized to be expended under the ballot proposition authorizing the issuance thereof, and for payment of Costs of Issuance to the extent not paid by the Underwriter. All interest and other gain arising from the investment of amounts deposited to the Building Fund shall be retained in the Building Fund and used for the purposes thereof. At the Written Request of the District filed with the Los Angeles County Office of Education, any amounts remaining on deposit in the Building Fund and not needed for the purposes thereof shall be withdrawn from the Building Fund and transferred to the Debt Service Fund, to be applied to pay the principal of and interest on the Bonds.

If there remain excess amounts on deposit in the Building Fund, after payment in full of the Bonds, any such excess amounts shall be transferred to the general fund of the District, to be applied for the purposes for which the Bonds have been authorized or otherwise in accordance with the Bond Law.

As provided in Section 5.04, the County has no responsibility and assumes no liability whatsoever arising from the expenditure of the proceeds of the Bonds by the District.

Section 3.04. Official Actions. All actions heretofore taken by the officers and agents of the County with respect to the sale and delivery of the Bonds are hereby approved, and the County Treasurer and all other officers of the County are hereby authorized and directed for and in the name and on behalf of the Board, to do any and all

things and take any and all actions relating to the execution and delivery of any and all certificates, requisitions, agreements and other documents, which they, or any of them, may deem necessary or advisable in order to consummate the lawful sale and delivery of the Bonds in accordance with this Resolution.

ARTICLE IV

SALE OF BONDS; DEBT SERVICE FUND

Section 4.01. Sale of Bonds. Under Section 7 of the District Resolution, the District has requested the Board to sell the Bonds to the Underwriter at negotiated sale under the Bond Purchase Agreement. The Board hereby approves such sale of the Bonds to the Underwriter. The County Treasurer, or any designee thereof, is hereby authorized to execute and deliver the Bond Purchase Agreement substantially in the form attached as Appendix B, with such changes therein, deletions therefrom and modifications thereto as the County Treasurer, or designee thereof, may approve, such approval to be conclusively evidenced by the execution and delivery thereof. As provided in the District Resolution, the true interest cost of the Bonds shall not exceed 8% per annum and the Underwriter's discount may not exceed 2% of the aggregate principal amount of the Bonds sold thereunder.

Section 4.02. Security for Bonds. The Bonds are general obligations of the District, and the Board has the power to levy ad valorem taxes upon all property within the District subject to taxation without limitation of rate or amount, for the payment of the Bonds and the interest and redemption premium (if any) thereon, in accordance with and subject to Sections 15250 and Section 15252 of the Bond Law. The District shall request the County to levy ad valorem taxes for the payment of the Bonds and the interest thereon without limitation as to rate or amount.

Section 4.03. Debt Service Fund. The County Treasurer shall create and maintain while the Bonds are outstanding an interest and sinking fund for the Bonds (the "Debt Service Fund"), which shall be maintained by the County Treasurer as a separate account, distinct from all other funds of the District, into which shall be paid on receipt thereof, (i) any premium received on the sale of the Bonds, and (ii) the proceeds of any taxes levied under Section 4.02.

Section 4.04. Disbursements From Debt Service Fund. The Debt Service Fund shall be administered and disbursements made in the manner set forth in this Section 4.04. Amounts on deposit in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Bonds as the same become due and payable, shall be transferred by the County Treasurer to the Paying Agent which, in turn, shall pay such moneys to DTC to pay the principal of and interest on the Bonds. DTC will thereupon make payments of principal and interest on the Bonds to the DTC Participants who will thereupon make payments of principal and interest to the beneficial owners of the Bonds. Any moneys remaining in the Debt Service Fund after the Bonds and the interest thereon have been paid, or provision for such payment has been made, shall be transferred to the General Fund of the District, as provided in Section 15234 of the Bond Law.

ARTICLE V

COVENANTS OF THE BOARD

Section 5.01. Punctual Payment. The Board will levy ad valorem taxes, as provided in Section 15250 of the Education Code, so as to enable the District to punctually pay, or cause to be paid, the principal of and interest on the Bonds, in conformity with the terms of the Bonds and of this Resolution. Nothing herein contained shall prevent the District from making advances of its own moneys, howsoever derived, to any of the uses or purposes permitted by law.

Section 5.02. Extension of Time for Payment. In order to prevent any accumulation of claims for interest after maturity, the Board will not, directly or indirectly, extend or consent to the extension of the time for the payment of any claim for interest on any of the Bonds and will not, directly or indirectly, approve any such arrangement by purchasing or funding said claims for interest or in any other manner. In case any such claim for interest shall be extended or funded, whether or not with the consent of the District, such claim for interest so extended or funded shall not be entitled, in case of default by the District hereunder, to the benefits of this Resolution, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have so extended or funded.

Section 5.03. Investment of Funds. All moneys held in any of the funds or accounts established with the County hereunder shall be invested in Authorized Investments in accordance with the investment policies of the County, as such policies exist at the time of investment. Obligations purchased as an investment of moneys in any fund or account shall be deemed to be part of such fund or account. All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder shall be deposited in the fund or account from which such investment was made, and shall be expended for the purposes thereof.

Section 5.04. No Liability of the County. Notwithstanding anything stated to the contrary in this Resolution, (a) the Bonds are not a debt of the County, including its Board, officers, officials, agents and employees, and the County, including its Board, officers, officials, agents and employees, has no obligation to repay the Bonds, (b) the Board's sole responsibilities hereunder are to issue, sell and levy a tax for the repayment of the Bonds, as provided in Sections 15140, 15146 and 15250, respectively, of the Bond Law, (c) neither the County, nor the Board, nor any officer, official, agent or employee of the County, shall have any obligation or liability hereunder or in connection with the transactions contemplated hereby other than as specified in said Code Sections, (d) the Bonds, including interest thereon, shall be payable solely from taxes levied by the Board under Section 15250 of the Bond Law, (e) the County has no responsibility and assumes no liability whatsoever arising from the expenditure of the proceeds of the Bonds by the District, and (f) the County, including its Board, officers, officials, agents and employees, shall retain all of their respective constitutional and statutory privileges, immunities, rights and defenses in carrying out their duties under this Resolution.

ARTICLE VI

EVENTS OF DEFAULT AND REMEDIES OF BOND OWNERS

Section 6.01. Events of Default. Any one or more of the following events constitute an Event of Default under this Resolution:

- (a) default by the District in the due and punctual payment of the principal of or redemption premium, if any, on any Bond when and as the same become due and payable, whether at maturity as therein expressed, by declaration or otherwise;
- (b) default by the District in the due and punctual payment of any installment of interest on any Bond when and as such interest installment becomes due and payable;
- (c) default by the District in the observance of any of the covenants, agreements or conditions on its part contained in this Resolution, in the District Resolution or in the Bonds, and the continuation of such default for a period of 30 days after written notice thereof has been given to a District Representative; or
- (d) the filing by the District of a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction approves a petition, seeking reorganization of the District under the federal bankruptcy laws or any other applicable law of the United States of America, or if, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction assumes custody or control of the District or of the whole or any substantial part of its property.

Section 6.02. Remedies of Bond Owners. Upon the occurrence and during the continuation of any Event of Default, any Bond Owner has the right, for the equal benefit and protection of all Bond Owners similarly situated:

- (a) by mandamus, suit, action or proceeding, to compel the District and its members, officers, agents or employees to perform each and every term, provision and covenant contained in this Resolution, in the District Resolution and in the Bonds, and to require the carrying out of any or all such covenants and agreements of the District and the fulfillment of all duties imposed upon it;
- (b) by suit, action or proceeding in equity, to enjoin any acts or things which are unlawful, or the violation of any of the Bond Owners' rights; or
- (c) by suit, action or proceeding in any court of competent jurisdiction, to require the District and its members and employees to account as if it and they were the trustees of an express trust.

Section 6.03. Remedies Not Exclusive. No remedy herein conferred upon the Owners of Bonds is exclusive of any other remedy and that each and every remedy is

cumulative and in addition to every other remedy given hereunder or thereafter conferred on the Bond Owners.

Section 6.04. Non-Waiver. Nothing in this Article VI or in any other provision of this Resolution, or in the Bonds, affects or impairs the obligation of the District, which is absolute and unconditional, to pay the principal of and interest on the Bonds to the respective Owners of the Bonds at the respective dates of maturity, as herein provided, or affects or impairs the right of action against the District, which is also absolute and unconditional, of such Owners to institute suit against the District to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Bond Owner shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner of any of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Bond Owners by this Article VI may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners of the Bonds.

If a suit, action or proceeding to enforce any right or exercise any remedy be abandoned or determined adversely to the Bond Owners, the County, the District and the Bond Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

ARTICLE VII

AMENDMENT OF THIS RESOLUTION

Section 7.01. Amendments Without Consent of the Owners. For any one or more of the following purposes and at any time or from time to time, the Board may adopt a Supplemental Resolution without the requirement of consent of the Owners of the Bonds, for any one or more of the following purposes:

- (a) to add covenants and agreements of the Board in this Resolution, which are not contrary to or inconsistent with this Resolution as theretofore in effect;
- (b) to add limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the Board which are not contrary to or inconsistent with this Resolution as theretofore in effect;
- (c) to confirm, as further assurance, any pledge under this Resolution of any moneys, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;
- (d) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution; or
- (e) to make such additions, deletions or modifications as may be necessary to assure exclusion from gross income for purposes of federal income taxation of interest on the Bonds.

The Board will adopt a Supplemental Resolution for any one or more of the foregoing purposes only at the written direction of the District, and only if the adoption of such Supplemental Resolution is in accordance with the provisions of this Resolution.

Section 7.02. Supplemental Resolutions Effective With Consent to the Owners. Any modification or amendment of this Resolution and of the rights and obligations of the County, the District and of the Owners of the Bonds, in any particular, may be made by a Supplemental Resolution, with the written consent of the Owners of a majority in aggregate principal amount of the Bonds Outstanding at the time such consent is given. No such modification or amendment shall permit a change in the terms of maturity of the principal of any Outstanding Bonds or of any interest payable thereon or a reduction in the principal amount thereof or in the rate of interest thereon, or reduce the percentage of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or change any of the provisions in Section 6.01 hereof relating to Events of Default, or shall reduce the amount of moneys pledged by the District for the repayment of the Bonds without the consent of all the Owners of such Bonds, or shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto.

ARTICLE VIII

MISCELLANEOUS

Section 8.01. The Paying Agent.

(a) Appointment of Paying Agent. The District has appointed the County Treasurer to act as Paying Agent for the Bonds under Section 11 of the District Resolution. The Paying Agent undertakes to perform such duties, and only such duties, as are specifically set forth in a written certificate to be delivered to the Paying Agent by the District upon the issuance of the Bonds. The Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by the District by executing and delivering to the District a certificate to that effect. The County Treasurer may, in his or her sole discretion, contract with any third party to perform the services of Paying Agent under this Resolution.

(b) Removal of Paying Agent. The District may remove the Paying Agent initially appointed, and any successor thereto, and may appoint a successor or successors thereto, but any such successor shall be a bank or trust company doing business and having an office in the State of California, having a combined capital (exclusive of borrowed capital) and surplus of at least Fifty Million Dollars (\$50,000,000), and subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, under law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section 8.01 the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. Any removal of the Paying Agent and appointment of a successor Paying Agent shall become effective upon acceptance of appointment by the successor Paying Agent.

(c) Resignation of Paying Agent. The Paying Agent may at any time resign by giving written notice to the District, the County and the Bond Owners of such resignation. Upon receiving notice of such resignation, the District shall promptly appoint a successor

Paying Agent by an instrument in writing. Any resignation of the Paying Agent and appointment of a successor Paying Agent shall become effective upon acceptance of appointment by the successor Paying Agent.

(d) Ownership of Bonds. The Paying Agent may become the owner of any of the Bonds in its own or any other capacity with the same rights it would have if it were not Paying Agent.

Section 8.02. Benefits of Resolution Limited to Parties. Nothing in this Resolution, expressed or implied, is intended to give to any person other than the Board, the District, the Paying Agent, any bond insurer and the Owners of the Bonds, any right, remedy, claim under or by reason of this Resolution. Any covenants, stipulations, promises or agreements in this Resolution contained by and on behalf of the District shall be for the sole and exclusive benefit of the County, the Paying Agent and the Owners of the Bonds.

Section 8.03. Defeasance. Bonds may be paid by the District in any of the following ways, provided that the District also pays or causes to be paid any other sums payable hereunder by the District:

- (a) by paying or causing to be paid the principal or redemption price of and interest on such Bonds, as and when the same become due and payable;
- (b) by irrevocably depositing, in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 8.03(c) hereof) to pay or redeem such Bonds; or
- (c) by delivering such Bonds to the Paying Agent for cancellation by it.

If the District pays all Outstanding Bonds and also pays or causes to be paid all other sums payable hereunder by the District, then and in that case, at the election of the District (evidenced by a certificate of a District Representative filed with the Paying Agent, signifying the intention of the District to discharge all such indebtedness and this Resolution), and notwithstanding that any Bonds have not been surrendered for payment, this Resolution and all covenants, agreements and other obligations of the County and the District under this Resolution shall cease, terminate, become void and be completely discharged and satisfied, except only as provided in Section 8.03(b). In that event, upon request of the District, the Paying Agent shall cause an accounting for such period or periods as may be requested by the District to be prepared and filed with the District and shall execute and deliver to the County and the District all such instruments as may be necessary to evidence such discharge and satisfaction, and the Paying Agent shall pay over, transfer, assign or deliver to the District all moneys or securities or other property held by it under this Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

(b) Discharge of Liability on Bonds. Upon the deposit, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 8.03(c) hereof) to pay or redeem any Outstanding Bond (whether upon or prior to its maturity or the redemption date of such Bond), provided that, if such Bond is to be redeemed prior to maturity, notice of such redemption is given as provided in Section 2.03(d) or provision satisfactory to the Paying Agent is made for the giving of such notice, then all liability of the County and the District in respect of such Bond shall cease and be completely

discharged, except only that thereafter the Owner thereof shall be entitled only to payment of the principal of and interest on such Bond by the District, and the District shall remain liable for such payment, but only out of such money or securities deposited with the Paying Agent as aforesaid for such payment, provided further, however, that the provisions of Section 8.03(d) shall apply in all events.

(c) Deposit of Money or Securities with Paying Agent. Whenever in this Resolution it is provided or permitted that there be deposited with or held in trust by the Paying Agent money or securities in the necessary amount to pay or redeem any Bonds, the money or securities so to be deposited or held may be held by the Paying Agent or by any other fiduciary. Such money or securities may include money or securities held by the Paying Agent in the funds and accounts established under this Resolution and shall be:

- (i) lawful money of the United States of America in an amount equal to the principal amount of such Bonds and all unpaid interest thereon to maturity, except that, in the case of Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption is given as provided in Section 2.03(d) or provision satisfactory to the Paying Agent is made for the giving of such notice, the amount to be deposited or held shall be the principal amount or redemption price of such Bonds and all unpaid interest thereon to the redemption date; or
- (ii) Federal Securities (not callable by the issuer thereof prior to maturity) the principal of and interest on which when due, in the opinion of a certified public accountant delivered to the County and the District, will provide money sufficient to pay the principal or redemption price of and all unpaid interest to maturity, or to the redemption date, as the case may be, on the Bonds to be paid or redeemed, as such principal or redemption price and interest become due, provided that, in the case of Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption is given as provided in Section 2.03(d) or provision satisfactory to the Paying Agent is made for the giving of such notice.

(d) Transfer of Funds to District After Discharge of Resolution. Notwithstanding any provisions of this Resolution, any moneys held by the Paying Agent in trust for the payment of the principal or redemption price of, or interest on, any Bonds and remaining unclaimed for one (1) year after the principal of all of the Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Resolution), if such moneys were so held at such date, or one (1) year after the date of deposit of such moneys if deposited after said date when all of the Bonds became due and payable, shall, upon request of the District, be repaid to the District free from the trusts created by this Resolution, and all liability of the Paying Agent with respect to such moneys shall thereupon cease; *provided, however*, that before the repayment of such moneys to the District as aforesaid, the Paying Agent may (at the cost of the District) first mail to the Owners of all Bonds which have not been paid at the addresses shown on the Registration Books a notice in such form as may be deemed appropriate by the Paying Agent, with respect to the Bonds so payable and not presented and with respect to the provisions relating to the repayment to the District of the moneys held for the payment thereof.

Section 8.04. Execution of Documents and Proof of Ownership by Bond Owners. Any request, declaration or other instrument which this Resolution may require or permit to be executed by Bond Owners may be in one or more instruments of similar tenor, and shall be executed by Bond Owners in person or by their attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Bond Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to such Owner the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

Except as otherwise herein expressly provided, the ownership of the Bonds and the amount, maturity, number and date of holding the same shall be proved by the Registration Books.

Any request, declaration or other instrument or writing of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the County, the District, the Paying Agent or a District Representative in good faith and in accordance therewith.

Section 8.05. Waiver of Personal Liability. No Board member, officer, agent or employee of the Board or the District shall be individually or personally liable for the payment of the principal of or interest on the Bonds.

Section 8.06. Destruction of Canceled Bonds. Whenever in this Resolution provision is made for the surrender to the County or the District of any Bonds which have been paid or canceled under the provisions of this Resolution, a certificate of destruction duly executed by the Paying Agent shall be deemed to be the equivalent of the surrender of such canceled Bonds and the County and the District shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Bonds therein referred to.

Section 8.07. Partial Invalidity. If any Section, paragraph, sentence, clause or phrase of this Resolution shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Resolution. The Board hereby declares that it would have adopted this Resolution and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Resolution may be held illegal, invalid or unenforceable. If, by reason of the judgment of any court, the District is rendered unable to perform its duties hereunder, all such duties and all of the rights and powers of the District hereunder shall be assumed by and vest in a District Representative in trust for the benefit of the Bond Owners. Nothing in this Section 8.07 is intended to create, nor shall the remaining portions of this Resolution create, any liability or obligation of the Board or the County beyond those specifically imposed by statute.

Section 8.08. Effective Date of Resolution. This Resolution shall take effect from and after the date of its passage and adoption.

The foregoing resolution was adopted on the ____ day of June, 2005, adopted by the Board of Supervisors of the County of Los Angeles and *ex officio* the governing body of all other special assessment and taxing districts, agencies and authorities for which said Board so acts.

This Bond is one of a duly authorized issue of Bonds of the District designated as "Beverly Hills Unified School District (Los Angeles County, California) General Obligation Bonds, 2002 Election, Series B" (the "Bonds"), in an aggregate principal amount of \$_____, all of like tenor and date (except for such variation, if any, as may be required to designate varying numbers, maturities, interest rates or redemption and other provisions) and all issued under the provisions of Chapter 1.5 of Part 10 of Division 1 of the California Education Code as in effect on the date of adoption hereof and as amended hereafter (the "Bond Law"), and under Resolution No. ____ of the Board of Supervisors of Los Angeles County (the "County") adopted on June __, 2006 (the "Resolution"), authorizing the issuance of the Bonds. The Bonds are being issued subject to the terms and conditions of the Resolution. All capitalized terms herein and not otherwise defined have the meaning given them in the Resolution. Reference is hereby made to the Resolution (copies of which are on file at the office of the Paying Agent) and the Bond Law for a description of the terms on which the Bonds are issued and the rights thereunder of the owners of the Bonds and the rights, duties and immunities of the Paying Agent and the rights and obligations of the District thereunder, to all of the provisions of which Resolution the Owner of this Bond, by acceptance hereof, assents and agrees.

This Bond and the interest hereon and on all other Bonds and the interest thereon (to the extent set forth in the Resolution) are general obligations of the District. The Board of Supervisors of the County has the power and is obligated to levy ad valorem taxes for the payment of the Bonds and the interest thereon upon all property within the District subject to taxation by the District. The Bonds do not constitute an obligation of the County. No part of any fund of the County is pledged or obligated to the payment of the principal of or interest on the Bonds.

The Bonds maturing on or before August 1, 20__, are not subject to redemption prior to their respective stated maturities. The Bonds maturing on or after August 1, 20__, are subject to redemption prior to maturity, at the option of the District, in whole or in part among maturities on such basis as shall be designated by the District and by lot within a maturity, from any available source of funds, on August 1, 20__, and on any Interest Payment Date thereafter, at a redemption price (expressed as a percentage of the principal amount of Bonds to be redeemed) as set forth in the following table, together with accrued interest thereon to the date fixed for redemption.

<u>Redemption Dates</u>	<u>Redemption Price</u>
August 1, 20__, and February 1, 20__	102.0%
August 1, 20__, and February 1, 20__	101.0
August 1, 20__, and thereafter	100.0

[If applicable:] The Bonds maturing on August 1, 20__ (the "Term Bonds") are also subject to mandatory sinking fund redemption on August 1 in the years, and in the amounts, as set forth in the following table, at a redemption price equal to 100% of the principal amount thereof to be redeemed (without premium), together with interest accrued thereon to the date fixed for redemption; *provided, however*, that if some but not all of the Term Bonds have been redeemed under the preceding paragraph, the aggregate principal amount of Term Bonds to be redeemed under this paragraph shall be reduced on a pro rata basis in integral multiples of \$5,000, as designated in written notice filed by the District with the Paying Agent.

(August 1)

If less than all of the Bonds of any one maturity are called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot by the District in such manner as the District in its discretion may determine; *provided, however*, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some multiple thereof and that, in selecting Bonds for redemption, the Paying Agent shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000.

The Paying Agent shall give notice of the redemption of the Bonds at the expense of the District. Such notice shall specify: (a) that the Bonds or a designated portion thereof are to be redeemed, (b) the numbers and CUSIP numbers of the Bonds to be redeemed, (c) the date of notice and the date of redemption, (d) the place or places where the redemption will be made, and (e) descriptive information regarding the Bonds including the dated date, interest rate and stated maturity date. Such notice shall further state that on the specified date there shall become due and payable upon each Bond to be redeemed, the portion of the principal amount of such Bond to be redeemed, together with interest accrued to said date, the redemption premium, if any, and that from and after such date interest with respect thereto shall cease to accrue and be payable.

Notice of redemption shall be given by mail to the respective owners of any Bonds designated for redemption at their addresses appearing on the Bond registration books, in every case at least 30 days, but not more than 60 days, prior to the redemption date. Neither the failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds.

The Bonds are issuable as fully registered Bonds, without coupons, in denominations of \$5,000 and any integral multiple thereof. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Resolution, Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations and of the same maturity.

This Bond is transferable by the Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Paying Agent in Los Angeles, California, but only in the manner and subject to the limitations provided in the Resolution, and upon surrender and cancellation of this Bond. Upon registration of such transfer a new Bond or Bonds, of authorized denomination or denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor.

The District and the Paying Agent may treat the Owner hereof as the absolute owner hereof for all purposes, and the County, District and the Paying Agent shall not be affected by any notice to the contrary.

The Resolution may be amended without the consent of the Owners of the Bonds to the extent set forth in the Resolution.

Unless this Bond is presented by an authorized representative of The Depository Trust Company to the issuer or its agent for registration of transfer, exchange or payment, and any certificate issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein. The District has certified that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time and manner as required by the laws of the State of California, and that all things necessary to consummate the lawful issuance and sale of the Bonds, the amount of this Bond, together with all other indebtedness of the District, does not exceed any limit prescribed by any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Resolution.

This Bond shall not be entitled to any benefit under the Resolution or become valid or obligatory for any purpose until the Certificate of Authentication hereon has been signed manually by the Paying Agent.

IN WITNESS WHEREOF, the County of Los Angeles has caused this Bond to be executed on behalf of the District and in their official capacities by the manual or facsimile signatures of the Chair of the Board of Supervisors of the County of Los Angeles and the Treasurer and Tax Collector of the County, and to be countersigned by the manual or facsimile signature of the Executive Officer – Clerk of the Board of Supervisors of the County, and has caused the seal of the County to be affixed hereto, all as of the date stated above.

Ladies and Gentlemen:

George K. Baum & Company (the "Underwriter") offers to enter into this Bond Purchase Agreement (this "Purchase Agreement") with the County of Los Angeles, California (the "County"), and the Beverly Hills Unified School District (the "District") which, upon your acceptance hereof, will be binding upon the County, the District, and the Underwriter. This offer is made subject to the written acceptance of this Purchase Agreement by the County and the District and delivery of such acceptance to the Underwriter at or prior to 11:59 P.M., California time, on the date hereof.

1. Purchase and Sale of the Bonds. Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the County for reoffering to the public, and the County hereby agrees to sell in the name and on behalf of the District to the Underwriter for such purpose, all (but not less than all) of \$_____ in aggregate principal amount of the District's General Obligation Bonds, 2002 Election, Series B (the "Bonds"). The Bonds shall bear interest at the rates and shall mature in the years shown on Appendix A hereto, which is incorporated herein by this reference. The Bonds are issuable as Current Interest Bonds in the aggregate principal amount of \$_____ and as Capital Appreciation Bonds in the aggregate denominational amount of \$_____.

The purchase price of the Bonds shall be \$_____ consisting of the \$_____ principal amount of the Bonds, plus \$_____ net original issue premium, less an underwriter's discount of \$_____, and less \$_____ to be used by the Underwriter to pay costs of issuance, as provided in Section 14 below.

2. The Bonds. The Bonds shall be dated the date of their original delivery. The Bonds shall mature on August 1 in the years shown in Appendix A hereto, except as provided herein, and shall otherwise be as described in, and shall be issued and secured under the provisions of the resolution of the District adopted on April 12, 2005 (the "District Resolution"), the resolution of the Board of Supervisors of the County adopted on July __, 2005 (the "County Resolution" and collectively with the District Resolution, the "Resolutions"), and Chapter 1.5 of Part 10, Division 1,

Title 1 of the Education Code of the State of California (the "Bond Law") and other applicable provisions of law.

Certain provisions for the optional and mandatory redemption of the Bonds not otherwise specified in the Resolutions are shown in Appendix A hereto, all as provided in the County Resolution.

The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Agreement and the Resolutions.

3. Use of Documents. The District hereby authorizes the Underwriter to use, in connection with the offer and sale of the Bonds, this Purchase Agreement, the Official Statement (defined below), and the District Resolution, and all information contained herein and therein and all of the documents, certificates or statements furnished by the District to the Underwriter in connection with the transactions contemplated by this Purchase Agreement (except as such documents otherwise provided).

The County hereby authorizes the Underwriter to use this Purchase Agreement and the County Resolution and all information contained herein and therein and all of the documents, certificates or statements furnished by the County to the Underwriter in connection with the transactions contemplated by this Purchase Agreement (except as such documents otherwise provided).

4. Public Offering of the Bonds. The Underwriter agrees to make a bona fide public offering of all the Bonds at the initial public offering prices or yields to be set forth on the cover page of the Official Statement and Appendix A hereto. Subsequent to such initial public offering, the Underwriter reserves the right to change such initial public offering prices or yields as it deems necessary in connection with the marketing of the Bonds.

The Underwriter shall certify to the District (i) that as of the date of sale, all of the Bonds purchased were expected to be reoffered in a bona fide public offering; (ii) that as of the date of the certification, all of the Bonds purchased had actually been offered to the general public at the offering prices shown in Appendix A; and (iii) that the prices given in Appendix A are the maximum initial bona fide offering prices at which a substantial amount (at least 10%) of each maturity of the Bonds purchased was sold to the general public;

5. Review of Official Statement. The Underwriter hereby represents that it has received and reviewed the Preliminary Official Statement with respect to the Bonds, dated July __, 2005 (the Preliminary Official Statement"). The District represents that it deemed the Preliminary Official Statement to be final as of its date, except for either revision or addition of the offering price(s), yield(s) to maturity, selling compensation, aggregate principal amount and maturity value, denominational amount and maturity value per maturity, delivery date, rating(s) and other terms of the Bonds which depend upon the foregoing as provided in and under Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended ("Rule 15c2-12").

The Underwriter agrees that prior to the time the final Official Statement (the "Official Statement") relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

The Underwriter hereby represents that it will provide, consistent with the requirements of Municipal Securities Rulemaking Board ("MSRB") Rule G-32, for the delivery of a copy of the Official Statement to each customer who purchases any Bonds during the underwriting period (as such term is defined in MSRB Rule G-11), and deliver a copy of the Official Statement to a national repository on or before the Closing Date, and that it will otherwise comply with all applicable statutes and regulations in connection with the offering and sale of the Bonds, including, without limitation, MSRB Rule G-32 and 17 CFR Section 240.15c2-12, promulgated by the Securities and Exchange Commission.

References herein to the Preliminary Official Statement and the final Official Statement include the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto.

6. Closing. At 9:00 A.M., California time, on August __, 2005, or at such other time or on such other date as shall have been mutually agreed upon by the County, District, and Underwriter, (the "Closing Date"), the County and the District will deliver to the Underwriter (except as otherwise provided in the Resolutions), at the offices of The Depository Trust Company ("DTC") in New York, New York, or at such other place as the County, District, and Underwriter may mutually agree upon, the Bonds in fully registered book-entry form, duly executed and registered in the name of Cede & Co., as nominee of DTC, and in San Francisco, California, the other documents hereinafter mentioned; and the Underwriter will accept such delivery and pay the purchase price thereof in immediately available funds by wire transfer to the account of the County of Los Angeles.

7. Representations, Warranties and Agreements of the District. The District hereby represents, warrants and agrees with the Underwriter that:

- (a) Due Organization. The District is a unified district duly organized and validly existing under the laws of the State of California, with the power to request the issuance of the Bonds under the Bond Law;

- (c) Consents. Except for the action of parties hereto, no consent, approval, authorization, order, filing, registration, qualification, election or referendum of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions contemplated herein or hereby, except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriter may reasonably request, or which have not been taken or obtained;
- (d) Internal Revenue Code. The District has covenanted to comply with the Internal Revenue Code of 1986, as amended, with respect to the Bonds;

- (e) No Conflicts. To the best knowledge of the District, the issuance of the Bonds, and the execution, delivery and performance of this Purchase Agreement, the Resolutions, and the Bonds, and the compliance with the provisions hereof do not conflict with or constitute on the part of the District a violation of or default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution, and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject;

- (g) No Other Debt. Between the date hereof and the Closing Date, without the prior written consent of the Underwriter, neither the District directly, nor any other governmental agency or other body on behalf of the District, will have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement;
- (h) Arbitrage Certificate. The District has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the District is a bond issuer whose arbitrage certificates may not be relied upon;

Rule 15c2-12(b)(5), the District will undertake, under the Resolutions and a Continuing Disclosure Certificate, to provide annual reports and notices of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement; and
- (j) Certificates. Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation by the District

to the Underwriter, but not by the person signing the same, as to the statements made therein.

8. Representations, Warranties and Agreements of the County. The County hereby represents, warrants and agrees with the Underwriter that:

- (a) **Due Organization.** The County is a political subdivision duly organized and validly existing under the laws of the State of California, with the power to issue the Bonds under the Bond Law and other provisions of law;

- (c) **No Conflicts.** To the best knowledge of the County, the issuance of the Bonds, the execution, delivery and performance of this Purchase Agreement, the County Resolution, and the Bonds, and the compliance with the provisions hereof, do not conflict with or constitute on the part of the County a violation of or default under the Constitution of the State of California or any existing charter, ordinance, or resolution, and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the County is a party;
- (d) **Litigation.** As of the time of acceptance hereof, no action, suit, proceeding, hearing or investigation is pending against the County or, to the best knowledge of the County, threatened against the County: (i) in any way affecting the existence of the County, or in any way challenging the respective powers of the several offices or of the titles of the officials of the County who will be required to execute documents and certificates in connection with the delivery of the Bonds to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, or the levy of any taxes or the pledge thereof contemplated by the Resolutions, or in any way contesting or affecting the validity or enforceability of the Bonds, this Purchase Agreement or the County Resolution or contesting the powers of the County or its authority with respect to the Bonds, the County Resolution, or this Purchase Agreement; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the County related to the transactions contemplated by this Purchase Agreement or the Resolutions, or (b) declare this Purchase Agreement to be invalid or unenforceable in whole or in material part;
- (e) **No Other Debt.** Between the date hereof and the Closing Date, without the prior written consent of the Underwriter, the County will not have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement;

- (f) Certificates. Any certificates signed by any officer of the County and delivered to the Underwriter shall be deemed a representation by the County to the Underwriter, but not by the person signing the same, as to the statements made therein.

9. Representations, Warranties and Agreements of the Underwriter. The Underwriter represents to and agrees with the County and the District that, as of the date hereof and as of the Closing Date:

- (a) The Underwriter is duly authorized to execute this Purchase Agreement and to take any action under this Purchase Agreement required to be taken by it.
- (b) The Underwriter is in compliance with MSRB Rule G-37 with respect to the County and the District, and is not prohibited thereby from acting as underwriter with respect to securities of the District or the County.
- (c) The Underwriter has, and has had, no financial advisory relationship with the District or the County with respect to the Bonds, and no investment firm controlling, controlled by or under common control with the Underwriter has or has had any such financial advisory relationship.
- (d) The Underwriter has reasonably determined that the District's undertaking to provide continuing disclosure with respect to the Bonds under Section 13(e)(13) is sufficient to effect compliance with Rule 15c2-12.

10. Covenants of the District and the County. The County and the District respectively covenant and agree with the Underwriter that:

- (a) Securities Laws. The County and the District will furnish such information, execute such instruments, and take such other action in cooperation with the Underwriter if and as the Underwriter may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions, provided, however, that the County and the District shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof;
- (b) Application of Proceeds. The District will apply the proceeds from the sale of the Bonds for the purposes for which the Bonds were authorized;
- (c) Official Statement. The District hereby agrees to deliver or cause to be delivered to the Underwriter, not later than the 7th business day following the date this Purchase Agreement is signed, copies of a final Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriter and the District (such Official Statement with such changes, if any, and including the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto being herein called the "Official Statement") in such quantities (including a representative number of originally executed copies) as may be requested by the Underwriter in order to permit the Underwriter to comply with paragraph (b)(4) of Rule 15c2-12 and with the rules of the Municipal Securities Rulemaking Board;

- (d) Subsequent Events. The District hereby agrees to notify the Underwriter of any event or occurrence that may affect in any material respect the accuracy or completeness of any information set forth in the Official Statement relating to the District, until the date which is 90 days following the Closing Date or until such time (if earlier) as the Underwriter shall no longer hold any of the Bonds for sale; and
- (e) Amendments to Official Statement. For a period of 90 days after the Closing Date or until such time (if earlier) as the Underwriter shall no longer hold any of the Bonds for sale, the District will not adopt any amendment of or supplement to the Official Statement to which, after having been furnished with a copy, the Underwriter shall object in writing or which shall be disapproved by the Underwriter (the Underwriter's approval of such amendment or supplement shall not be unreasonably withheld); and if any event relating to or affecting the District shall occur as a result of which it is necessary, in the opinion of the Underwriter, to amend or supplement the Official Statement in order to make the Official Statement not misleading in light of the circumstances existing at the time it is delivered to a purchaser, the District shall forthwith prepare and furnish (at the expense of the District) a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Underwriter) which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time such supplemental Official Statement is delivered to a purchaser, not misleading.

11. Division of Responsibility Between District and County. It is specifically acknowledged and agreed by and between the District and the County that the County shall have no responsibility or liability to ensure or provide compliance with those provisions of this Purchase Agreement which are to be performed solely by the District.

12. Conditions to Closing. The Underwriter has entered into this Purchase Agreement in reliance upon the representations and warranties of the County and the District contained herein and the performance by the District of its obligations hereunder, both as of the date hereof and as of the date of Closing. The Underwriter's obligations under this Purchase Agreement are and shall be subject at the option of the Underwriter, to the following further conditions at the Closing Date:

- (a) Representations True. The representations and warranties of the County and the District contained herein shall be true, complete and correct in all material respects at the date hereof and at and as of the Closing Date as if made on and as of the Closing Date, and the statements made in all certificates and other documents delivered to the Underwriter on the Closing Date pursuant hereto shall be true, complete and correct in all material respects on the Closing Date; and each of the County and the District shall be in compliance with each of the agreements made by it in this Purchase Agreement;

- (c) Adverse Rulings. No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Agreement (and not reversed on appeal or otherwise set aside), or to the best knowledge of the County or the District, pending or threatened which has any of the effects described in Section 7(f) or 8(d) or contesting in any way the completeness or accuracy of the Official Statement;
- (d) Marketability. Between the date hereof and the Closing Date, the market price or marketability or the ability of the Underwriter to enforce contracts for the sale of the Bonds, at the initial offering prices set forth in the Official Statement, of the Bonds shall not have been materially adversely affected by reason of any of the following:
 - (1) legislation enacted or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court established under Article III of the Constitution of the United States or by the United States Tax Court, or an order, ruling, regulation (final, temporary or proposed) or official statement issued or made:
 - (i) by or on behalf of the United States Treasury Department, or by or on behalf of the Internal Revenue Service, with the purpose or effect, directly or indirectly, of causing inclusion in gross income for purposes of federal income taxation of the interest received by the owners of the Bonds; or
 - (ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended;
 - (2) legislation enacted by the legislature of the State of California (the "State"), or a decision rendered by a court of the State, or a ruling, order, or regulation (final or temporary) made by State authority, which would have the effect of changing, directly or indirectly, the State tax consequences of interest on obligations of the general character of the Bonds in the hands of the holders thereof;
 - (3) the declaration of war or engagement in major military hostilities by the United States or the occurrence of any other national emergency or calamity relating to the effective operation of the government or the financial community in the United States;
 - (4) the declaration of a general banking moratorium by federal, New York or California authorities, or the general suspension of trading on any national securities exchange;

- (5) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds, or obligations of the general character of the Bonds, or securities generally, or the material increase of any such restrictions now in force;
 - (6) an order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws, as amended and then in effect;
 - (7) the withdrawal or downgrading of any rating of the District's outstanding indebtedness by a national rating agency; or
 - (8) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material adverse respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading, and which the District fails or is unwilling to correct by the submission of supplemental information.

would lead them to believe that the Official Statement (excluding therefrom the financial statements, any financial or statistical data, or forecasts, charts, numbers, estimates, projections, assumptions or expressions of opinion included in the Official Statement and the appendices to the Official Statement as to which no opinion need be expressed), as of the date thereof or the Closing Date, contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and

14. Expenses. The Underwriter shall pay any expenses incident to the issuance of the Bonds (except as otherwise agreed to by the District), including but not limited to the following: (i) the fees and disbursements of the District's financial advisor; (ii) the fees and disbursements of Bond Counsel; (iii) the cost of the preparation, printing and delivery of the Bonds; (iv) the fees, if any, for Bond ratings, including all necessary travel expenses; (v) the cost of the printing and distribution of the Official Statement; (vi) the initial fees of the Paying Agent; and (vii) all other fees and expenses incident to the issuance and sale of the Bonds. or have any rights hereunder or by virtue hereof. All representations, warranties and agreements of the County and the District in this Purchase Agreement shall survive regardless of (a) any investigation or any statement in respect thereof made by or on behalf of the Underwriter, and (b) delivery of and payment by the Underwriter for the Bonds hereunder.

17. Severability. In the event any provision of this Purchase Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision thereof.

18. Non-assignment. Notwithstanding anything stated to the contrary herein, neither party hereto may assign or transfer its interest herein, or delegate or transfer any of its obligations hereunder, without the prior consent of the other party hereto.

19. Entire Agreement. This Purchase Agreement, when executed by the parties hereto, shall constitute the entire agreement of the parties hereto, including their permitted successors and assigns, respectively.

20. Execution in Counterparts. This Purchase Agreement may be executed in several counterparts each of which shall be regarded as an original and all of which shall constitute but one and the same document.

21. Applicable Law. This Purchase Agreement shall be interpreted, governed and enforced in accordance with the law of the State of California applicable to contracts made and performed in such State.

Re: Approval of Resolution 2004-2005-029 of the Board of Education -
Beverly Hills Unified School District Requesting the Board of Supervisors
County of Los Angeles to Issue and Sell General Obligation Bonds of
The District in the Aggregate Principal Amount of Not to Exceed \$45,000,000

Background:

A required step in the sale of bonds is a resolution from the Board of Education authorizing that sale. Among other things the resolution specifies the dollar amount of the bonds and is in compliance with a number of different code sections related to bond sales.

Current Consideration:

This resolution has been prepared by our bond counsel (Jones-Hall) and meets all the requirements to authorize the sale of our second issue of bonds related to the election of March 5, 2002.

Financial Impact:

This action will allow the Board of Education to sell \$45,000,000 of bonds to be used for the purposes specified within the election materials.

Administrative Recommendation:

The Administration recommends that the Board of Education approve Resolution 2004-2005-029 of the Board of Education – Beverly Hills Unified School District Requesting the Board of Supervisors County of Los Angeles to Issue and Sell General Obligation Bonds of the District in the Aggregate Principal Amount of Not To Exceed \$45,000,000.

RESOLUTION NO. 2004-2005-029

**RESOLUTION OF THE BOARD OF EDUCATION OF THE
BEVERLY HILLS UNIFIED SCHOOL DISTRICT REQUESTING
THE BOARD OF SUPERVISORS OF COUNTY OF LOS
ANGELES TO ISSUE AND SELL GENERAL OBLIGATION
BONDS OF THE DISTRICT IN THE AGGREGATE PRINCIPAL
AMOUNT OF NOT TO EXCEED \$45,000,000**

WHEREAS, an election was duly and regularly held in the Beverly Hills Unified School District (the "District") on March 5, 2002, in accordance with Section 1(b)(3) of Article XIII A of the California Constitution, for the purpose of submitting to the qualified electors of the District the question whether general obligation bonds should be issued in the aggregate principal amount of \$90,000,000 (the "Bonds"), at which more than 55% of the votes cast were in favor of the issuance of the Bonds; and

WHEREAS, the District is authorized to issue the Bonds under Chapter 1.5 of Part 10, Division 1, Title 1 of the Education Code of the State of California (the "Bond Law"), commencing with Section 15264 of the Education Code, which requires that general obligation bonds of the District be offered for sale by the Board of Supervisors of County of Los Angeles (the "County"), following receipt of a resolution adopted by the Board of Education of the District; and

WHEREAS, the Board of Supervisors of the County has previously sold an initial series of the Bonds in the name of the District in the aggregate principal amount of \$44,999,260; and

WHEREAS, the Board of Trustees of the District wishes at this time to institute proceedings for the issuance and sale of a second and final series of the Bonds in the aggregate principal amount of not to exceed \$45,000,000;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Education of the Beverly Hills Unified School District the following:

Section I. Authorization of Series B Bonds; Request to County. The Board of Education (the "Board") of the District hereby authorizes the issuance of a second and final series of the Bonds, to be designated the "Beverly Hills Unified School District (Los Angeles County, California) General Obligation Bonds, 2002 Election, Series B" (the "Series B Bonds") in the aggregate principal amount of not to exceed \$45,000,000 for the purpose of raising money to finance the acquisition, construction and rehabilitation of school facilities as set forth in the proposition authorizing the issuance of the Bonds (the "Bond Proposition"). The Board hereby requests the Board of Supervisors of County to issue and sell the Series B Bonds in the name and on behalf of the District under the Bond Law. The exact principal amount of the Series B Bonds to be issued shall be designated to the County by the Superintendent of the District.

Section 2. Interest. The Series B Bonds shall bear interest at the rate of not to exceed 8% per annum, payable on February 1 and August 1 in each year beginning February 1, 2006 (each, an "Interest Payment Date"). Upon a determination by the Deputy Superintendent of Business Services that it is in the best interests of the District that a portion of the Series B Bonds be issued in the form of capital appreciation bonds, interest on such capital appreciation bonds shall compound on each Interest Payment Date and be payable on such capital appreciation bonds solely at maturity or upon prior redemption.

Section 3. Maturity. The Series B Bonds shall mature on August 1 in each of the years and in the respective amounts as set forth in the agreement awarding the sale of the Series B Bonds as hereinafter set forth. The term of the Series B Bonds shall not exceed 25 years.

Section 4. Approval of County Resolution. The Board of Education hereby approves the resolution of the Board of Supervisors authorizing the sale of the Series C Bonds, in substantially the form on file with the Secretary (the "County Resolution"). The provisions of the County Resolution relating to payment of principal of and interest on the Series B Bonds are set forth in the County Resolution solely at the request of the District for the convenience of the District in the administration of the Series B Bonds, and do not create any responsibilities for the Board of Supervisors of the County beyond the express statutory requirements contained in Sections 15140, 15146 and 15250 of the Education Code. The District agrees to carry out and perform all of its obligations under the County Resolution.

Section 5. Building Fund. The District hereby directs the Los Angeles County Office of Education to establish, hold and maintain a fund to be known as the "Beverly Hills Unified School District Series B General Obligation Bond Building Fund", to be maintained by the Los Angeles County Office of Education as a separate account, distinct from all other funds of the County and the District. The proceeds from the sale of the Series B Bonds, to the extent required under Section 3.02 of the County Resolution, shall be deposited in and credited to the Building Fund, and shall be expended by the District solely for the acquisition or improvement of real property for which the Series B Bond proceeds are authorized to be expended under the Bond Proposition, including payment of the costs of issuing the Series B Bonds. All interest and other gain arising from the investment of amounts deposited to the Building Fund shall be retained in the Building Fund and used for the purposes thereof.

Section 6. Debt Service Fund. The District hereby directs the Treasurer and Tax Collector of the County (the "County Treasurer") to establish, hold and maintain a fund to be known as the "Beverly Hills Unified School District Series B General Obligation Bond Debt Service Fund", which shall be maintained by the County Treasurer as a separate account, distinct from all other funds of the County and the District. All taxes levied by the County, at the request of the District, for the payment of the principal of and interest and premium (if any) on the Series B Bonds in accordance with the County Resolution shall be deposited in the Debt Service Fund

by the County promptly upon apportionment of said levy. The Debt Service Fund shall be pledged for the payment of the principal of and interest on the Series B Bonds when and as the same become due, including the principal of any term Series B Bonds required to be paid upon the mandatory sinking fund redemption thereof. The moneys in the Debt Service Fund, to the extent necessary to pay the principal of and interest and redemption premium (if any) on the Series B Bonds as the same become due and payable, shall be transferred by the County to the Paying Agent upon the written request of the District filed with the County, as required to pay the principal of and interest and redemption premium (if any) on the Series B Bonds.

If, after payment in full of the Series B Bonds, any amounts remain on deposit in the Debt Service Fund, such amounts shall be transferred to the General Fund of the District, as provided in Section 15234 of the Bond Law.

Section 7. Sale of Series B Bonds. The Board hereby requests that the Board of Supervisors of the County sell the Series B Bonds on a negotiated basis to George K. Baum & Company (the "Underwriter") under a Bond Purchase Agreement among the District, the Underwriter and the County Treasurer in substantially the form on file with the Secretary of the District, together with any changes thereto which are approved by the Superintendent, the Assistant Superintendent of Business Services or the Director of Business Operations (each, a "District Representative"). The Board hereby authorizes and directs a District Representative to execute and deliver the final form of the Bond Purchase Agreement in the name and on behalf of the District.

The County Treasurer, or any designee thereof, is hereby authorized to execute and deliver the Bond Purchase Agreement, with such changes therein, deletions therefrom and modifications thereto as the County Treasurer, or designee thereof, may approve, such approval to be conclusively evidenced by the execution and delivery thereof. The true interest cost of the Series B Bonds shall not exceed 6% per annum and the Underwriter's discount may not exceed 1.1% of the aggregate principal amount of the Series B Bonds sold thereunder.

Section 8. Tax Covenants.

(a) Private Activity Bond Limitation. The District shall assure that the proceeds of the Series B Bonds are not so used as to cause the Series B Bonds to satisfy the private business tests of Section 141(b) of the Internal Revenue Code of 1986, as amended (the "Tax Code"), or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The District shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Series B Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Tax Code.

(c) Rebate Requirement. The District shall take any and all actions necessary to assure compliance with Section 148(f) of the Tax Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Series B Bonds.

(d) No Arbitrage. The District shall not take, or permit or suffer to be taken by the Paying Agent or otherwise, any action with respect to the proceeds of the Series B Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Series B Bonds would have caused the Series B Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Tax Code.

(e) Maintenance of Tax-Exemption. The District shall take all actions necessary to assure the exclusion of interest on the Series B Bonds from the gross income of the owners of the Series B Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the date of issuance of the Series B Bonds.

Section 9. Preparation of Official Statement. The Board hereby approves, and hereby deems nearly final within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934, the Preliminary Official Statement describing the Series B Bonds in substantially the form on file with the Secretary of the District. The Board hereby approves and authorizes the distribution by the Underwriter of the Preliminary Official Statement to prospective purchasers of the Series B Bonds, and authorizes and directs a District Representative on behalf of the District to deem the Preliminary Official Statement "final" under Rule 15c2-12 under the Securities Exchange Act of 1934 (the "Rule") prior to its distribution by the Underwriter. A District Representative is hereby authorized and directed to approve any changes in or additions to a final form of said Official Statement, and the execution thereof by a District Representative shall be conclusive evidence of his approval of any such changes and additions. The Board hereby authorizes the distribution of the final Official Statement by the Underwriter. The final Official Statement shall be executed in the name and on behalf of the District by a District Representative.

Section 10. Continuing Disclosure. The Board hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate in substantially the form attached to the Preliminary Official Statement. A District Representative is hereby authorized and directed to assist the Underwriter and Bond Counsel in completing the Continuing Disclosure Certificate, and to execute said Certificate on or prior to the closing of the Series B Bonds.

Section 11. Appointment of Paying Agent. The Board hereby appoints the County Treasurer to act as the authenticating agent, Bond registrar, transfer agent and paying agent (collectively, the "Paying Agent") for the Series B Bonds. The County Treasurer may, at the County Treasurer's option, contract with a commercial bank or trust company to perform the duties

of the Bond Registrar hereunder, and thereafter all references to the Bond Registrar shall be deemed to refer to such bank or trust company and not to the County Treasurer. The Paying Agent shall perform such functions as are imposed upon it under the County Resolution.

All fees and expenses incurred for services of the Paying Agent shall be the sole responsibility of the District. The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution and the County Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Resolution and the County Resolution. The District further agrees to indemnify and save the Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or bad faith.

Section 12. Actions to Close the Issue. All actions heretofore taken by the officers and agents of the District with respect to the sale and issuance of the Series B Bonds are hereby approved, and each District Representative and all other officers of the District are hereby authorized and directed for and in the name and on behalf of the District, to do any and all things and take any and all actions relating to the execution and delivery of any and all certificates, requisitions, agreements and other documents, which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Series B Bonds in accordance with this Resolution and the County Resolution.

Section 13. Effective Date. This resolution shall take effect on and after its adoption.
